Description

The vandal proof dome LR6122X in the L series is featuring built-in Sense Up+ technology to deliver stunning video in low-light conditions. Utilizing intelligent image signal processing, 2D WDR function, AGC control, and 3D noise reduction, the combination successfully delivers the ultimate low-light image without motion blur. The IP66-rated housing is designed to help the camera body withstand rain and dust and ensures operation under a multitude of harsh weather conditions. Support with PoE, privacy mask, white balance, and minimum illumination 0.05 Lux at F1.4 Low Light Mode.

With built-in IR-cut filter, white balance, back light compensation, and IVS features such as audio and motion detection to deliver quality videos.
